

ANSCHUTZ FAMILY FOUNDATION
2020 ANNUAL REPORT

ANSCHUTZ FAMILY FOUNDATION

To give money away . . . is an easy matter and in any man's power. But to decide to whom to give it and how much and when, and for what purpose, and how is neither in every man's power nor an easy matter.

ARISTOTLE

Dear Friends,

2020 was a year that will not be forgotten, with the sudden onset of COVID-19. Even though it affected many Americans in many different ways, we are resilient and will get through it.

It saddens me to learn of businesses, churches, schools, and nonprofits not able to operate as there are so many out there who need help. Proposal review will be very difficult this year but we at the Anschutz Family Foundation will continue to do our best to place our grants where we feel we can make a difference.

Please be safe and stay well.

God Bless,

Sue Anschutz-Rodgers

Chair and President

◆ HISTORY

Fred and Marian Pfister Anschutz created the Anschutz Family Foundation in 1982 as a result of many years of successful gas and oil, real estate and ranching ventures.

Fred B. Anschutz's (1909-1993) career was characterized by uncanny and intuitive foresight and by a willingness to enter into ventures others considered too risky. His first business success came through striking a rich oil field in his home state of Kansas. Earnings from an oil exploration business that eventually spanned Kansas, Colorado, Utah, and Wyoming were parlayed into ranches and livestock operations across the West. The family and their business headquarters moved from Wichita to Denver in the 1960's. Marian P. Anschutz (1910-1986) with husband, Fred, ingrained traditional American values of hard work, community involvement and love of the land in their children and grandchildren.

Sue Anschutz-Rodgers has continued her parents' legacy through her own business and ranching ventures and commitment to philanthropy. The Foundation's assets have grown over its 38-year history from the original \$4.5 million endowment to \$55.5 million through investments and additional family contributions. Sue served as the Foundation's first President and Executive Director and currently serves as its Chair and President. Four of the founders' six grandchildren and four great grandchildren serve as trustees of the Foundation, while granddaughter Susan Rodgers Drumm served as program officer from 1994-2001.

Since its inception, the Foundation has distributed 10,329 grants to nonprofit organizations totaling \$58,411,427. The Foundation's focus on supporting organizations that meet human and community needs in Colorado has remained steady throughout its existence. In the early years, the Foundation funded fewer organizations with larger grants. Gradually, the philosophy shifted to providing smaller grants (\$2,500-\$10,000) to many organizations. The intent was to spread the Foundation's resources into more areas and to encourage nonprofits to develop diversified funding streams. Although the primary activity of the Foundation is grant making, considerable energy has and will be directed to efforts to build the capacity of Colorado's nonprofit sector, to enhance grant making, and to work collaboratively with other funders.

In the early 1990's, the Foundation initiated Colorado Rural Philanthropy Days, a twice-yearly event that built on an initiative of the nonprofit community in Grand Junction. Sue's vision in launching Colorado Rural Philanthropy Days was to increase foundation support to rural areas of the state. The intent is for private and public funders, who are concentrated along the Front Range, to visit Colorado's rural communities to gain a greater understanding of the issues and challenges faced in those communities and to facilitate introductions between Metro-based funders and Colorado's rural nonprofit leaders and local elected officials. Colorado Rural Philanthropy Days address two of the Foundation's goals: to increase funding to nonprofit organizations in rural Colorado and to de-mystify the grant-making process.

The Foundation plans to continue on its current path of embracing opportunities that enhance the nonprofit sector and focusing on organizations that strengthen families and communities and assist people to help themselves.

◆ INFORMATION FOR GRANT SEEKERS

MISSION

The Anschutz Family Foundation supports Colorado nonprofit organizations that assist people to help themselves while nurturing and preserving their self-respect. The Foundation encourages endeavors that strengthen families and communities and advance individuals to become productive and responsible citizens. There is a special interest in self-sufficiency, community development, and programs aimed at the economically disadvantaged, the young, the elderly, and the disabled. The Foundation is also dedicated to funding efforts in rural Colorado.

AREAS OF INTEREST

The Foundation's mission is purposely broad, allowing it to support the work of many nonprofits that focus on improving the quality of life for individuals and communities. The bulk of the Foundation's grants are made in categories most directly related to the stated goals of the Foundation: *improving the lives of individuals, promoting self-sufficiency, and community development.*

TYPES OF GRANTS

Recognizing that organizational infrastructure is a necessity, the Foundation welcomes requests for general operating support. The Foundation also accepts requests for specific programs, and occasionally issues a challenge grant instead of an outright grant. This is done when the Foundation sees both a need and an opportunity for the organization to expand its funding base.

GEOGRAPHIC FOCUS

The Foundation aims for an even distribution of grants between organizations serving in Colorado's rural and urban communities.

GRANT SIZE

Grants are typically in the \$5,000 to \$10,000 range, but generally no greater than 10% of an organization's annual budget.

WHAT WE DON'T FUND

Generally, the Foundation does not support:

- Arts and culture
- Capital campaigns
(On rare occasions, the Foundation will fund capital campaigns for organizations located in rural Colorado whose mission closely aligns with the Foundation's interest. Applicants are advised to submit a one-page letter of inquiry prior to the submission of a grant for this purpose.)
- Education (primary or secondary)
- Endowments, debt reduction, or loans
- Grants to individuals
- Healthcare, mental health, or disease-specific
- Multi-year grants
- Organizations with annual budgets in excess of \$5 million
- Organizations in leadership transition (i.e. interim director)
- Organizations that discriminate in any way
- Political causes, candidates, or campaigns
- Public policy, advocacy, or research
- Start-up organizations
- Programs outside of Colorado
- Religious organizations for religious purposes
- Special events, conferences, or promotions
- Type III Supporting Organizations under IRS Section 509(a)(3)

◆ GUIDELINES FOR SUBMITTING A PROPOSAL

DEADLINES

Proposal deadlines: January 15 and July 1

These deadlines refer to when your proposal must be physically received in our office or via our online portal (prior to 5:00 p.m.). **If the deadline falls on a weekend, proposals are due the preceding Friday.**

Any proposals received after the stated deadlines will be rolled into the next funding cycle.

The Foundation acknowledges receipt of all proposals, typically within four weeks upon having received them. If you do not receive an acknowledgment, please contact us as this may indicate that we did not receive your proposal.

Proposal review schedule: Proposals received in time for the January 15 deadline will be decided upon at the mid-May Foundation board of trustees meeting. Proposals received in time for the July 1 deadline will be decided upon at the late-November Foundation board of trustees meeting.

Two-year rule: When an organization receives funding from the Foundation for two years in a row, we request they take the third year off. Please check your records prior to submitting a grant application.

The Foundation can only accept one grant application per calendar year from an organization.

PROPOSAL FORMAT

We require applicants to use the Colorado Common Grant Application (CGA), which can be submitted electronically (preferred) through the online portal accessed from our website, www.anschutzfamilyfoundation.org. If you send your application through the mail, you can access the form and its accompanying User's Guide through the Foundation's website.

WHAT WE LOOK FOR WHEN REVIEWING PROPOSALS

- Alignment with the mission and interests of the Foundation.
- Clearly presented organization mission, goals, plans and financials.
- A solid financial sustainability plan. We promote diversified funding streams and believe our funding should be no more than 10% of an organization's annual budget.
- A committed board of directors with 100% making a contribution to the organization. This requirement is not designed to promote wealth as criteria for board membership, but we are interested in full participation by the board rather than dollar amount.
- Strong volunteer participation.
- Community buy-in (evident through donations, volunteer engagement, existing partnerships, and collaborative efforts).
- Solid effort to engage the community and/or participants in program development.
- Ongoing efforts to evaluate organizational and program effectiveness and commitment to making adjustments as needed.
- Effective and inspired leadership.
- An eye on the future that reflects recognition of potential impacts on and opportunities for the organization.
- Applicants must be recognized by the Internal Revenue Service as a 501(c)(3) organization or be fiscally sponsored by another 501(c)(3) organization or a tax-supported institution such as a school or government agency.
