

ANSCHUTZ FAMILY FOUNDATION

2022 ANNUAL REPORT

ANSCHUTZ FAMILY FOUNDATION

To give money away . . . is an easy matter and in any man's power. But to decide to whom to give it and how much and when, and for what purpose, and how is neither in every man's power nor an easy matter.

ARISTOTLE

Dear Friends,

It is with a great sense of satisfaction and gratitude that we share our 2022 annual report.

A goal that the Foundation proudly achieved this past year was providing funding in equal parts to both rural Colorado and the Front Range. The Foundation conducted 154 site visits, met hundreds of Coloradans, and had the opportunity to learn about our state's unique strengths and challenges.

I would also like to take this opportunity to let our nonprofit partners know how much the Anschutz Family Foundation values and appreciates what you do. Our commitment to nonprofit organizations in the State of Colorado is because of you and your commitment to those in need.

Thank you-

Sincerely,

*Sue Anschutz-Rodgers
Chair and President*

◆ HISTORY

Fred and Marian Pfister Anschutz created the Anschutz Family Foundation in 1982 as a result of many years of successful gas and oil, real estate and ranching ventures.

Fred B. Anschutz's (1909-1993) career was characterized by uncanny and intuitive foresight and by a willingness to enter into ventures others considered too risky. His first business success came through striking a rich oil field in his home state of Kansas. Earnings from an oil exploration business that eventually spanned Kansas, Colorado, Utah, and Wyoming were parlayed into ranches and livestock operations across the West. The family and their business headquarters moved from Wichita to Denver in the 1960's. Marian P. Anschutz (1910-1986) with husband, Fred, ingrained traditional American values of hard work, community involvement and love of the land in their children and grandchildren.

Sue Anschutz-Rodgers has continued her parents' legacy through her own business and ranching ventures and commitment to philanthropy. The Foundation's assets have grown over its 40-year history from the original \$4.5 million endowment to \$55 million through investments and additional family contributions. Sue served as the Foundation's first President and Executive Director and currently serves as its Chair and President. Four of the founders' six grandchildren and five great grandchildren serve as trustees of the Foundation, while granddaughter Susan Rodgers Drumm served as program officer from 1994-2001.

Since its inception, the Foundation has distributed 10,964 grants to nonprofit organizations totaling \$63,390,720. The Foundation's focus on supporting organizations that meet human and community needs in Colorado has remained steady throughout its existence. In the early years, the Foundation funded fewer organizations with larger grants. Gradually, the philosophy shifted to providing smaller grants (\$5,000-\$10,000) to many organizations. The intent was to spread the Foundation's resources into more areas and to encourage nonprofits to develop diversified funding streams. Although the primary activity of the Foundation is grant making, considerable energy has and will be directed to efforts to build the capacity of Colorado's nonprofit sector, to enhance grant making, and to work collaboratively with other funders.

In the early 1990's, the Foundation initiated Colorado Rural Philanthropy Days, a twice-yearly event that built on an initiative of the nonprofit community in Grand Junction. Sue's vision in launching Colorado Rural Philanthropy Days was to increase foundation support to rural areas of the state. The intent is for private and public funders, who are concentrated along the Front Range, to visit Colorado's rural communities to gain a greater understanding of the issues and challenges faced in those communities and to facilitate introductions between Metro-based funders and Colorado's rural nonprofit leaders and local elected officials. Colorado Rural Philanthropy Days address two of the Foundation's goals: to increase funding to nonprofit organizations in rural Colorado and to de-mystify the grant-making process.

The Foundation plans to continue on its current path of embracing opportunities that enhance the nonprofit sector and focusing on organizations that strengthen families and communities and assist people to help themselves.

◆ INFORMATION FOR GRANT SEEKERS

MISSION AND VALUES

The Anschutz Family Foundation supports Colorado nonprofit organizations that assist people to help themselves while nurturing and preserving their self-respect. The Foundation encourages endeavors that strengthen families and communities and advance individuals to become productive and responsible citizens. There is a special interest in self-sufficiency, community development, and programs aimed at the economically disadvantaged, the young, the elderly, and the disabled. The Foundation is also dedicated to funding efforts in rural Colorado.

AREAS OF INTEREST

The Foundation's mission is purposely broad, allowing it to support the work of many nonprofits that focus on improving the quality of life for individuals and communities. The bulk of the Foundation's grants are made in categories most directly related to the stated goals of the Foundation: *improving the lives of individuals, promoting self-sufficiency, and community development*. Grants generally support programs or services that fit within one or more of the Foundation's funding areas including:

- Civic, Community, and Capacity Building

- Early Childhood Development
- Food/Shelter/Homeless
- Humane Animal Services
- Low-Income Housing
- People with Disabilities
- Self-Sufficiency/Families/Literacy
- Senior Programs

ELIGIBILITY AND GEOGRAPHIC FOCUS

The Foundation aims for an even distribution of grants between organizations serving in Colorado's rural and urban communities. To be considered for funding from the

Foundation, an organization must have activities or programs that take place in the state of Colorado and the organization must be classified as one of the following:

- A 501(c)(3) tax-exempt public charity
- A sponsored project of a 501(c)(3) nonprofit acting as a fiscal sponsor
- A government or tax-supported public entity

TYPES OF GRANTS

Recognizing that organizational infrastructure is a necessity, the Foundation welcomes requests for general operating support. The Foundation also accepts requests for specific programs, and occasionally issues a challenge grant when the Foundation sees both a need and an opportunity for the organization to expand its funding base.

GRANT SIZE

Typical grants range between \$5,000 to \$10,000, but generally no greater than 10% of an organization's annual budget.

WHAT WE DO NOT FUND

Generally, the Foundation does not support:

- Arts and culture
- Capital campaigns (On rare occasions, the Foundation will fund capital campaigns for organizations located in rural Colorado whose mission closely aligns with the Foundation's interests. Applicants are advised to submit a one-page letter of inquiry prior to the submission of a grant request for this purpose.)
- Education (primary or secondary)
- Endowments, debt reduction, or loans
- Grants to individuals
- Healthcare, mental health, or disease-specific
- Multi-year grants
- Organizations with annual budgets in excess of \$10 million
- Organizations in leadership transition (i.e. interim director)
- Organizations that discriminate in any way
- Political causes, candidates, or campaigns
- Public policy, advocacy, or research
- Start-up organizations
- Programs outside of Colorado
- Religious organizations for religious purposes
- Special events, conferences, or promotions
- Type III Supporting Organizations under IRS Section 509(a)(3)

◆ LETTER OF INQUIRY

Although not required, the Foundation invites organizations to submit a brief one- to two page Letter of Inquiry (LOI) prior to completing a full grant application. A LOI that specifies how the organization's work aligns with the Foundation's funding areas is encouraged from:

- First-time applicants
- Organizations who have been turned down in the past
- Organizations uncertain of fit and alignment with the Foundation's focus and interest areas

More information on what to include in a LOI and details for electronically submitting a LOI can be found on the Foundation's website at www.anschutzfamilyfoundation.org. LOIs can be submitted at any time.

A Foundation staff member will contact the organization, typically within three to four weeks after submittal. If the organization appears to be a good fit, the Foundation will invite the organization to submit a full grant application in its next grant cycle. LOIs submitted within three weeks of a grant application deadline (January 15 or July 1) may not be reviewed until the following grant cycle.
